-Dinoël 2025-

Strasbourg

December 5, 6 and 7, 2025

After a highly successful first market in 2024, Dinoël returns to Strasbourg from December 5 to 7, 2025,

This second time is even **longer and varied** then last year's! Dinoël is, above all, a creators first market in France, celebrating **paleontology, popular science, and dinosaurs**. Featuring a round table discussion, meetings, a market of artist booths, and creative workshops, Dinoël is a unique event aimed at natural science enthusiasts, families, and curious people of all ages.

This event is free and open to all.

The event organisers (from left to right):
Eeios, Sibylle Guyot and Clémence Dupont

Program Summary

• Friday, December 5 – Le Shadok

(25 presqu'île André Malraux, Strasbourg)

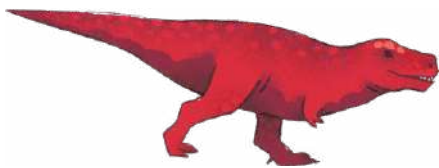

6 p.m.: Roundtable discussion and exhibition on Paleoart*, with [Blandine Hautier](#), [Joakim Juti](#) and [Gaëlle Seguillon](#). Hosted by Nathan Dehaut and Clémence Dupont

Presentation and sale of the Dinoël 2025 artbook and an illustrated calendar whose profits benefit the PaleoArtae association, who assists with Dinoël.

• Friendly gathering on Friday evening at the Shadok

*Paleoart is the graphic art discipline that depicts elements of the past: plants, landscapes, animals... and dinosaurs. It is a constantly evolving art form that is committed to keeping up with the latest scientific discoveries and incorporating them into its work.
